

Dear colleagues

greetings from Ca' Foscari University of Venice
<http://www.unive.it/nqcontent.cfm?a_id=150582>!

This is just to inform you that our* International Relations Office* would like to welcome *international students as trainees* in our office.

The internship period should begin* from April 2014 onwards*. It should last about 3 months.

Unfortunately our University cannot offer any benefit to these students. That is why we would like them to be selected within Erasmus Placement or similar grants.

However, we can help them in finding accommodation, thanks to our Housing Office.

We can also offer them different welcome activities, thanks to our students' associations.

Requirements are:

- English level B2 min. - compulsory
- Italian level B2 min. - compulsory
- other languages - appreciated
- Master Degree in International Relations and/or Educational Studies - appreciated
- flexibility, open-minded mood
- ready to work in a multicultural environment.

Activities/Training programme:

- support for our international events
- support for our outgoing students' procedures
- support for our incoming students' procedures
- support for our International Welcome Desk for new international students
- other.

Hope your students will be glad to get this opportunity!

Please do not hesitate to contact me for any further information you may need.
